

# PUBLIC NOTICE

## PROPOSED LEAKING UST (LUST) CASE CLOSURE

The Arizona Department of Environmental Quality (ADEQ) is considering closure of the following leaking underground storage tank (LUST) case:

**LUST File No. 0303.02**  
**Facility ID No. 0-001197**  
**Navajo County**

**Five 4,000 Gallon Unleaded Gasoline USTs**  
**Circle K #00226**  
**317 Williamson Avenue**  
**Winslow, Arizona 86047**

The Arizona Revised Statutes §49-1005(E) and Arizona Administrative Code [A.A.C.] R18-12-263.04 allow case closure of LUST sites with groundwater contamination above the Arizona Aquifer Water Quality Standards (AWQS) after eligibility requirements are met. For the above-referenced LUST site, ADEQ has considered the following criteria:

1. Whether the UST release has been adequately investigated
2. Whether the source of contamination that affected groundwater quality has been removed
3. Whether the soil meets the applicable soil remediation levels
4. Whether there are drinking water wells that are threatened or impacted by the UST release
5. Whether the groundwater plume is not expanding
6. Whether the groundwater contamination is naturally attenuating
7. Whether the requirements of Arizona Revised Statutes §49-1005(D) and (E) have been met

The plume of release-related compounds was reduced by Multiphase Extraction and Natural Attenuation until only MW-1 had concentrations of chemicals of concern exceeding the Aquifer Water Quality Standards (AWQS).

Monitor Well	Compound exceeding the AWQS	Highest Concentration (ug/L)	Date	Current Concentration (ug/L)	Date	AWQS (ug/L)
MW-1	Benzene	22,000	04/17/2003	130	7/17/08	5

ug/L = micrograms per liter

Site-specific information concerning this closure is available for review during normal business hours at the ADEQ Records and Library Review Area, 1110 W. Washington Street, Suite 140, Phoenix, AZ 85007. ADEQ welcomes comments on the proposed LUST case closure. Please call the UST File Room at 602-771-4344 to schedule an appointment. A 30-day public comment period is in effect commencing March 5, 2009 and ending April 4, 2009. Comments should be submitted in writing to the Arizona Department of Environmental Quality, Tank Programs Division, Attention: Nurul Huq, 1110 W. Washington Street, Phoenix, AZ 85007.

If sufficient public interest is demonstrated during the public comment period, ADEQ will announce and hold a public meeting. ADEQ will respond to comments in writing following the public comment period. For more information on this notice, please contact Nurul Huq at (602) 771-4318 or (800) 234-5677, ext. 771-4318, or at [Huq.Nurul@azdeq.gov](mailto:Huq.Nurul@azdeq.gov).
