Re: Application for EZ Mine, Type 3.04 General Permit

Inventory Number: 106193 LTF ID: 52718
USAS Number: 510473-00 Place ID: 138906

Dear Mr. Roberts:

The Arizona Department of Environmental Quality (ADEQ) received the above-referenced application on June 15, 2010. ADEQ's review of this application is subject to the requirements of the licensing time frames ("LTF") statute under Arizona Revised Statutes ("A.R.S.") § 41-1072 through § 41-1079 and the LTF rules under Arizona Administrative Code ("A.A.C.") R18-1-501 through R18-1-525. ADEQ is reviewing this application within the Substantive Review time frame and makes this Comprehensive Request for Additional Information under A.R.S. § 41-1075(A). This Request suspends the time frame for your application as of the date of this Request. To complete this application and resume the time frame you must provide the following missing information:

Closure/Post-closure cost estimates for EZ Mine were submitted to ADEQ on September 30, 2010, for the amount of \$52,467. These costs were determined to be acceptable for closure of the facilities. Pursuant to A.A.C. R-18-9-A203, please submit a financial assurance mechanism for this amount. In email correspondence dated September 30, 2010, Ms. Christy Woodward stated Denison's intent to post a surety bond.

If you fail to provide the additional information within 60 days of this Request, ADEQ may proceed to a final decision on your application without further notice. As an alternative to providing ADEQ with all of the additional information identified above, you may respond to this Request within 60 days with a Notice of Intent to Rely on the Application Components as Submitted in accordance with A.A.C. R18-1-205(B) and R18-1-520.
