

Partnership for Pollution Prevention Program: Partnership Agreement

We would like to participate in the Arizona Department of Environmental Quality's Arizona's Partnership for Pollution Prevention (P3) Program. We understand that this is a voluntary agreement between the Department and our company. This agreement may be terminated by either party after notification is given to the other party. We also agree to put forth a good faith effort during the time of our participation in this project. The following representatives will work with the Department to minimize our hazardous waste stream.
