

**INSTRUCTIONS FOR SUBMITTAL OF A  
NOTICE OF INTENT TO DISCHARGE  
FOR A TYPE 2 GENERAL PERMIT**

**INSTRUCTIONS**

Every person who applies for a Type 2 general permit, as provided by Arizona Administrative Code (A.A.C.) Title 18, Chapter 9, Article 3, must file a Notice of Intent to Discharge (NOI) required by A.A.C. R18-9-A301(B). In addition to this form, applicants must complete the appropriate NOI Supplemental Form. A separate NOI form and NOI Supplemental form must be completed for each discharging facility (i.e., unit, discharge point) intended to be covered under a general permit. A person intending to operate under a general permit must comply with all the provisions of the general permit and other applicable requirements of statute and rule.

**GENERAL INFORMATION**

A Type 2 General Permit requires notification to the agency of activities to be conducted. A Type 2 general permit does not require an ADEQ response, however, ADEQ will send you a notice confirming receipt of your NOI. If you do not answer all of the questions, your submittal will not satisfy the requirements in A.A.C. R18-9-A301(A)(2) or R18-9-A301(B) and your activities will not qualify for coverage under a Type 2 general permit.

A Type 2 General Permit needs to be renewed as follows:

Please use the form entitled "Discharge Authorization Renewal Form for a Type 2 General Permit" to renew your permit.

Other Type 2 General Permits will require the standard fee. **HOW LONG DOES IT TAKE**

As soon as you submit the application requirements listed above you are covered by this general permit. As mentioned above, ADEQ will send you a notice confirming receipt of your NOI.
